

Chapter Meeting July 22, 2010

Meeting Minutes Approved - August 19, 2010

The second webinar meeting of the WMAC-AAPA was held on July 22, 2010.

Since there were no objections to the April 22 minutes, they were accepted as written.

The National APA/AAPA Congress recently held at the Gaylord Hotel in Washington was a great success giving the AAPA great exposure at the hospitality booth jointly sponsored by the Washington Area Metro Chapter, the Baltimore Chapter and all the VA Chapters of the APA.

The AAPA AP Man and Women of the year were Jamie Humbarger, APS, CPP from Indiana and Daniel Dycus, CPP of the Metro DC area.

The winner of the AAPA Education Grant was Jodi Parsons of Iowa. All national members of the AAPA are eligible for this grant. The winner receives all the AAPA national webinars, all the publications and includes a trip to Congress, which will be held in Salt Lake City, Utah in 2011.

Our next webinar/meeting will be on August 19, 2010. The topic will be "Child Support and the Employer: An Update"

Accountants International will again sponsor a chapter social sometime in September. The date and location to be determined.

"When Accounts Payable and Payroll Should Talk" was presented by Dan Dycus, CPP.

There are many reasons that AP and Payroll should work together. There are cross functional payments that may be paid in AP but need to be included on the employee's W-2. Some examples are relocation packages, sign on bonuses, adoption assistance plans, tuition assistance, prizes and awards, international allowances, stock payments and travel and expense reimbursements. They may need to determine if a person is an employee or a contractor.

A survey will be sent to attendees at this webinar. A certificate for 1RCH will be sent upon receipt of the survey.

Respectfully Submitted
